Memo

"With reference to the
1st Councillor's order noted

beg to submit that the curren
Budget estimates of the Bangalo

no 115.44.8 Dy 13/4/96 are as follow

(2) Estimated receipts — 70.750
Total 89.628

(3) " expenditure 71.950
(4) Closing balance Rs 17.678

(2) When submitting
Supplemental budget for Rs 26717
for 1896-97. the Dy Coms stated
that the balance at the begin
and end of the year would be
respectively. The latter figure
Rs 6309, appears to
have been adopted by the
Dy Coms as the balance
1st July 1897 in the present
budget

(3) ing the
Supplemental budget, the
balance was
altered to Rs 36927 (according to

34226 and

No 5788

the Comptroller's account and certain reductions were made in supplemental grants proposed, thereby raising the closing balance to Rs 14609. (Please see Proc etc 8722-b/88-95 dy 1/2/97 ₹ with a copy of which was communicated to the Dy Comr of Bangalore).

(4) Thus the Dy Comr instead of adopting the figure (14609) sanctioned by Govt, has erroneously adopted the figure given in his office letter of 17/12/96. This appears to me to be a clerical error in the A C's Office. Orders are therefore solicited as to whether, in the light of the above explanation a reference has to be made to the Dy Comr in regard to the difference. It is suggested that the mistake could be noticed in the office itself. Submitted for orders.
